So the ADA in Northampton never got back to me, so I'll give you first dibs on me for Tuesday, Feb. 23rd if you want it (I'm guessing that your Superior court case will go more than 1 day). If so, I'll let the other ADA know that I will check in with him after I'm done in Pittsfield.

The ADA in Worcester (Superior Court on 2-22) replied and said that the trial is still on and that "the defendant is resistant to a plea at the present", and that he will notify me if it changes. The ADA in Northampton (District Court on 2-23) also replied and said that he will get back to me later today when he gets back to his office. That's where it stands now.

Sonja, have you heard from the ADA's in the Worcester and Northampton cases? We will definitely need you to testify, if you are unavailable would it be possible to have someone else look over your work who is available to testify, maybe a supervisor????? Call me if you get a chance, 1-413-443-5951 x 137

Hi-

Unfortunately I am scheduled to be in Worcester Superior Court on 2/22. Furthermore, I have two district court cases in Northampton on 2/23 and three district court cases scheduled on 2/24 (one in Springfield, one in Northampton, and one in Orange). I'll try to get in touch with the ADA in Worcester as well as the ADA in Northampton (it is the same ADA for both cases on 2/23) to see what the status is on those cases. Just to make sure I've got the details right when I contact them, is the [REDACTED] drug trial a Superior Court case? Thanks.
